The MyMusicStaff portal sends automatic reminders for all events that participants are registered for. Participants will join all Zoom events from their MyMusicStaff account.

OpenLearning Platform

Link: openlearning.com

Here's what participants can do with OpenLearning:

- Submit repertoire and performance videos
- Submit optional written composition
- Receive feedback from teaching artist
- Engage in learning activities and challenges
- Share work and ideas with fellow participants
- Submit "Best Of" performance video
- View portfolio of all festival work

Teaching artists will give individualized feedback within the OpenLearning platform. Festival directors will manually add participants to this platform by April 1st.

Festival workshops, seminars, forums, group coaching sessions, masterclasses and private coaching sessions will all take place over Zoom. Zoom links are embedded in the events in MyMusicStaff so that participants can login to MyMusicStaff and join events by clicking the Zoom button. Please be sure to download the latest version of Zoom and see our guide to best audio in Zoom.
